2016 Turtle Days Parade Information

The 2016 Turtle Days Parade begins at 10:00 am, Saturday, July 9th. Registration begins at 9:00 am, at the Trinity Lutheran Church north parking lot, located on 5th Ave – directly across from Community Memorial Hospital. Please enter the parking lot from 5th Avenue and exiting the parking lot on Kundert Street – after registering and getting your placement in the parade. The parade line-up location will be along South Avenue.

Pre-registration forms for the parade are available at Bank of Turtle Lake, Main Street Market, Harry's Gas and Auto, and Farmers Union Oil Co./Cenex, or by calling Kara Smalls at 701-217-0329 or by email at kara.smalls@k12.nd.us. **The parade will have assigned entry numbers**, and the numbers will be posted on Kundert Street and South Avenue and to the north again on Charles Street (two blocks east of Main Street). When your entry has been registered and assigned a position number, please find that number for the parade line-up.

The parade route will proceed north on Kundert Street then turn right to pass in front of the Turtle Lake Community Memorial Hospital, proceed east to Main Street then turn left and proceed north on Main Street. The parade route is approximately 8 blocks long. The National Anthem will be sung when the American Legion post presents the colors near the Bank of Turtle Lake, so you may experience a slight delay in the parade procession.

There are two locations where announcers for the parade will be located. One location will be on Main Street near the Bank of Turtle Lake and the second will be near St. Catherine's Catholic Church.

Please return completed forms to Bank of Turtle Lake or contact Kara with your parade information before July 6th to expedite the registration process the morning of the parade. A registration form can be found on the Turtle Lake city website at www.turtlelakend.org
